DFDS Headquarters

PLH Arkitekter has designed the new Copenhagen headquarters for the shipping company DFDS, located at the picturesque marina opposite the ferry terminal. This prime location offers stunning views of the Copenhagen-Oslo ferry entrance and exit and fits perfectly with DFDS' maritime focus.

Facts

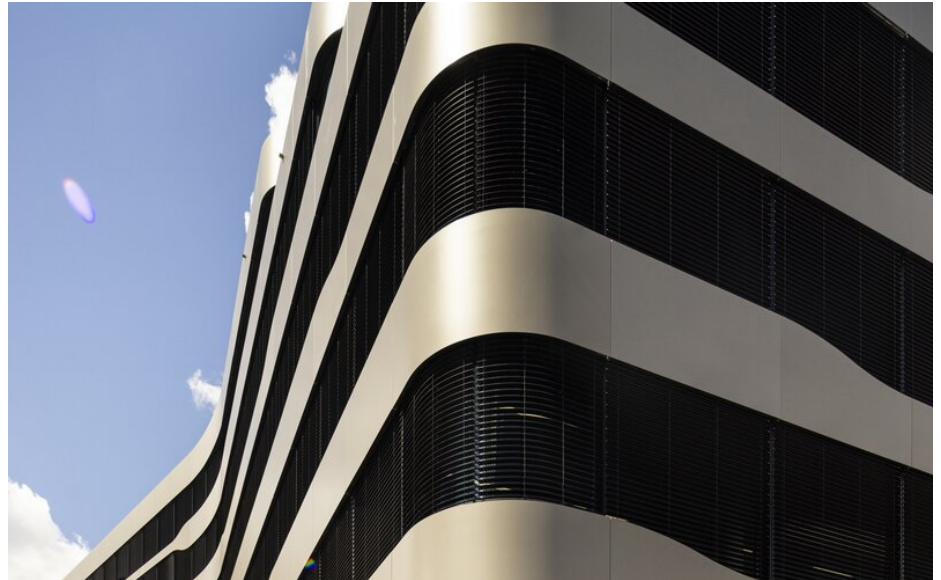

Area	Architecture
Location	Copenhagen, DE
Year of manufacture	2022
Architect	PLH Architects

Details

The design seamlessly integrates concepts from the world of shipping and brings the DFDS culture to life. The iconic architecture not only emphasizes the company's maritime identity, but also creates a modern and activity-oriented workspace. In addition to the functional aspects, the building is also designed for various activities and events to enhance the overall DFDS experience for customers, visitors and employees.

The architectural images were provided by photographer Thorbjørn Hansen.
